

INDIAN INSTITUTE OF TECHNOLOGY PATNA

PLACEMENT BROCHURE

Department of Computer Science and Engineering

2017-18

Dr. Jimson Mathew
HOD, Department of CSE

Message from

The Head of Department

The department of Computer Science and Engineering was among the first engineering branches to be setup at IIT Patna in 2008. The department runs B.Tech, M.Tech and PhD programmes. A joint M.Tech programme (Mathematics and Computing) is also offered with the department of Mathematics. The academic curriculum of the department is constantly revised to keep in pace with the current industry and research trends. The last revision being in 2015. In order to allow students flexibility in choosing their subjects of interest, over the years the number of elective courses has been increased. With a view to encourage creative ideas, the department introduced a lab course on Innovative Design in the undergraduate programme.

The department lays great emphasis in research and development. The department has close interaction with industry and research institutes both in India and abroad. Research labs have been setup in the department in collaboration with industry and government agencies - Elsevier Centre for Excellence of Natural Language Processing; ezDI Research Lab on Health Informatics, Network Security Lab; Advanced Computing Lab and Embedded Systems Integration Lab. A number of high value sponsored research projects are running in the department.

The faculty members of the department have received a number of awards and recognition - ACL President, 2016 (the highest body of NLP); Eminent Engineer Award by Institute of Engineers; NASI young scientist platinum jubilee award, 2016; BIRD Award 2016; IEI Young Engineers Award 2016 (Computer Engineering Discipline); Junior Humboldt Research Fellowship; JSPS Fellowship from Japan Govt among others.

This brochure has been designed to cater to a wide range of people who often seek specific information about the department and courses that we offer. To this end, we have compiled a set of useful information for individuals/organizations interested in our programs, our research endeavors, as well as information regarding the faculty. I hope you will find the information helpful. We always appreciate your feedback as to how we might make the materials more informative and enlightening. For any additional information, please do not hesitate to contact us.

About the Department

The department of Computer Science and Engineering came into existence in 2008 with miniscule faculty strength and minute undergraduate student body. This inadequacy was no deterrent to its bold decision to start the doctoral program right away.

The department offers B.Tech in Computer Science and Engineering (CSE), M.Tech and Phd in various specialized areas of CSE.

The department has witnessed a manifold raise in the size of the vibrant student body. Presently, all efforts are geared towards making this the first choice of aspiring undergraduates. This is being groomed to be the favored destination for research scholars brimming with ideas. Faculty strength is all set to multiply many times over with the planned addition of young and dynamic persons flashing enviable academic and research records.

The department boasts of generously equipped teaching and research laboratories. Doctoral candidates are liberally supported either by scholarships or by sponsored fellowships. Sponsored research and developmental activities add muscle to the buzzing academics.

Demographs

B.TECH.

M.TECH.

Ph.D.

Courses Offered

Core

- Software Engineering
- Computer Networks
- Computer Graphics
- Operating Systems
- Formal language and Automata
- Artificial Intelligence
- Machine Learning
- Introduction to Deep Learning
- Network Security
- Distributed Systems
- Databases
- Compilers

Mathematics and Computing

- Discrete Mathematics
- OOPs and Data Structures
- Probability Theory and Random Processes
- Computation Topology
- Complex Analysis and Fourier Series
- Cryptography
- Algorithms
- Advanced Graph Theory

Devices

- Digital Design
- Computer Organization and Architecture
- Computer Peripherals and Interfacing

Achievements

Faculty's

- Prof. Pushpak Bhattacharyya : Eminent Engineer Awardee
- Proff.s elevated to the grade of IEEE Senior Member : Dr. Rajiv Misra, Dr. Sriparna Saha, Dr. Somanath Tripathy, Dr. Jimson Mathew
- Dr. Asif Ekbal awarded JSPS Fellowship
- Dr. Sriparna Saha awarded NASI-YOUNG SCIENTIST PLATINUM JUBILEE AWARD
- Prof. Pushpak Bhattacharyya has been invited to be the chair for NLP in IJCAI 2016, a flagship conference in Artificial Intelligence

Student's

- Ms. Pranjali Kokare has been selected to receive an Adobe Research Women-In-Technology Scholarship award for year 2017.
- Team 'KisaanConnect' from IIT Patna, won 2nd prize, at the grand finale of Hackathon v2.0 mobile app development contest.
- Mr. Sumit Asthana has been invited for the Google Summer of Code Mentor Summit 2016, a global event extending across 103 countries.
- Two B.Tech students received DAAD wise fellow scholarships.
- Nearly 10 students have taken part in Google Summer of Code 2017.

Technical Activities

NJACK

An active computer science student club, that regularly organizes classes for the students and teaches them different topics - like ethical hacking, competitive coding, android development and many more.

IEEE STUDENT BRANCH

IIT PATNA

IEEE Student Branch of IIT Patna opened with a group of students enrolled in various M.Tech and Phd. Courses with a view to promote technical activities in the campus, city and the state of Bihar. Now with the involvement of B.Tech students too, the branch organizes yearly lectures, IEEE programs and conferences.

GIAN

A program approved by the Govt. of India aimed at tapping the talent pool of scientists and entrepreneurs, encourages their engagement with the institutes of Higher Education of India. Time to time GIAN courses and workshops are conducted with a great involvement of students.

CONFERENCES AND WORKSHOPS

In order to provide exposure to the students about the recent developments, conferences and workshops are being organized.
Fifth National Conference on Computer Vision, Pattern Recognition, Image Processing and Graphics (NCCVPRIPG) 2015
IEEE International Symposium on 5G

Tech Life

Apart from the above organised activities, the tech-culture here comprises of many passion driven practices that we take pride in

GSoC

- The number of students being selected for **Google Summer of Code** is increasing year by year.
- 9 students were selected for summer 2017

Hackathon

- Regular hackathons are organised with both broad and specific agenda.
- Team 'KisaanConnect' won 2nd prize, at the grand finale of #HackForIndia

Research Activities

- Apart from the industrial projects, some students have published papers and/or journals
- Students frequently attend/present at conferences (with department support too)

Competitive coding

- Participation in various competitive contests is the most outstanding part of the students here.
- Many significant achievements were made at acm-icpc, google code-jam, snackdown, etc..

Open Source

- Students here, understand the importance to give back to the community.
- various contributions are made to the open source projects across broad range of fields.

Internship

The students at IITP are encouraged for industrial, research and student exchange programmes.

Previously the students have done internships in:

Industrial Internship

Adobe
Amazon
Arista Networks
Bosch
Code Nation
Cognizant
Google
Microsoft
NextOrbit
United Health Group
Wipro

Research Internship

Georgia Tech
University of Missouri
NTU, Singapore
NTHU, Taiwan
IIT Madras
IIIT Delhi

Past Recruiters

Adobe Delhi

Amazon

Arista Networks

Bank of America

Bank of India

Browser Stack

Capgemini

Cisco

ConnectIO

Deloitte

Directi

Doodle Blue

EDU VISION

ezDi Data Intelligence

Finisar

Flipkart

Google

H.P.

IBM GBS

Infosys

Loginext

Microsoft

Morgan Stanley

Paytm One97

Practo

RapidBiz Apps

Resonance Eduventure

Samsung

Siemens

Tata Consultancy

Transweb Educational

Trident

UnitedHealth Group

Wipro

Yodlee Infotech

Zeus Numerix
